Take charge of your health today. Be informed. Be involved. Health Care After Incarceration

This month, the "Take Charge of Your Health Today" page focuses on the continuous care after incarceration. Via Masouro, health advocate at the Urban League of Greater Pittsburgh, and Edward Mulvey, PhD, professor of psychiatry, Pennsylvania State University College of Medicine, "Health Care After Incarceration" is a feature on this topic. You might be pleased to be covering post-incarceration health care this month. I understand that it's that topic's close to your heart.
